

Shirley Lions Carnival

SIDE STALL APPLICATION FORM SHIRLEY PARK, SATURDAY 10TH JULY 2010

The charge for each 12 ft wide by 20 ft deep stall space will be £30. **If more depth is required prior approval must be obtained.**

Only stallholders who have paid in advance will be allowed into the Carnival enclosure on the day. This is to reduce the problems of collecting money on a very busy day and to avoid bad payers (usually business stallholders who book and then fail to turn up on the day).

There will be restrictions on the numbers of stalls of the same type to give added variety and to avoid undue competition between stallholders. **PLEASE ENSURE THAT YOUR CHOICE IS ENTERED IN THE FORM BELOW.** If you have a second choice please indicate this when making your booking.

All stallholders must report to the main enclosure entrance between 10:00 and 11:00 am on the day of the Carnival. A limited number of stalls are available to new groups upon request.

All takings on your stall on the day will be retained by your organisation.

Full terms and conditions will be sent with the booking confirmation.
